Everything for Seamen Everywhere around the World

THE PRODUCT ITSELF

➤ *It is first of all:*

WYCC®, health cover (illness and accident), assistance and accidental death and disability for all Yacht Crew Members who navigate and work on yachts.

WYCC® has been created for marine professionals who are recognised (captains, crew placement, insurance brokers) and comply with the ILO standards.

➤ *It is then :*

An Internet Services Platform that offer full and detailed information worldwide, medical and multi legal assistance, translation service on-line, financial services...

➤ *It is also :*

A pension plan (without restrictions about nationality or flag).

➤ *It is finally :*

The opportunity for the seaman to access to asset management (with confidentiality and according to prudential rules).

WHO IS THE PRODUCT AIMED AT?

All seamen can subscribe to WYCC® whatever the nationality, fiscal residence, gender, age, yacht flag and location of ship.

HOW LONG HAS WYCC® EXISTED?

WYCC® has been disseminated since the latest Monaco Yacht Show in September 2005, official launching date of the product.

SIMPLY AND EFFECTIVELY?

There is a one only rate and the reimbursement services operate worldwide.

A help line is communicated to every Insured Person.

A fax or an Email are enough to add or withdraw a Crew Member, a adjustment will be made at the end of the year if needed.

Everything for Seamen Everywhere around the World

WHO IS ALLOWED TO SELL WYCC®?

Insurance brokers, marine Professionals can offer this product to their clientele.

WHY SUBSCRIBE TO WYCC®?

WYCC® enables you to enhance services that you offer as marine professional with a full range of products for your Clients.

Most of the time, captains opt for global subscription for all crew in order to be secured for any problem that occurs and that even when a seaman can subscribe to a general state social security system.

WYCC® is often more profitable for the premium payer (employer or individual).

WHAT ARE THE ADVANTAGES IN WYCC®?

- Two cover formulas what ever the seaman status is i.e. during the job period, on-leave or unemployed (lay-off), on board just as on the ground.
- Worldwide cover.
- Their family can be covered as well. (provided that the family follows them during a stop-over)
- Opportunity to cover temporary six month periods.
- Flexible and adaptable product.
- Adjustable death & disability insurance.
- Full medical care charges, dental treatments (dentures, bridges...), vision, alternative care, daily benefits, and so on...
- Worldwide assistance and repatriation.
- Including sport practice such as skiing, diving.

An Internet Services Platform that offers full and detailed information worldwide, medical and multi legal assistance, translation service on-line, financial services, and so on...

Everything for Seamen Everywhere around the World

WHY A PENSION PLAN?

For his retirement, the seaman needs income to leave with a convenient leaving standard.

Our pension plan for seamen takes into account their nationalities, fiscal residence, yacht flag and location of various employers. Especially a pension plan which enables them to be paid a very substantial pension, on a compulsory basis at the end of the seaman's professional period.

This contract is in designing process and should available in the near future.

This product is very flexible:

- It is established within offshore jurisdiction
- Opportunity to select the best funds
- Access to a Trust
- To choose the level of contributions
- Employer and/or employee Contributions
- To choose beneficiary in case of death

The funds are managed with confidentiality and according to prudential rules and regulations.
